SEXUAL HARASSMENT

We respect the dignity of each employee and believe that each employee should be free to develop fully his or her potential, neither hindered by artificial barriers nor aided by factors that are not related to merit. Therefore, it is our policy to maintain an environment for all of our employees free of sexual harassment as outlined in Title VII of the Civil Rights code of 1964. Sexual harassment occurs when: (1) submission to the sexual advances of a member is a term or condition of hire, continued employment, or promotion; and (2) non-submission affects the employee's or applicant's hire, continued employment, or opportunity for promotion. Sexual harassment also occurs where members make unwelcome advances, abusive physical contacts, or repeated comments or gestures of a sexual nature, which create a hostile, offensive, or intimidating working environment or which interfere with the employee's work performance.

Our policy is not intended to discourage innocent activities, such as compliments on personal appearance, which may contribute to healthy working relationships, good morale, and Club unity. At the same time, certain conduct and comments of a sexual nature that may not amount to unlawful sexual harassment are inappropriate in the Club. We expect our Club members to use good judgment at all times and avoid even the appearance of sexual impropriety in all of their relationships with employees.

Members that are guilty of sexual harassment of employees will be terminated under section 9b of the Club by-laws.

CCL HANDICAP SYSTEM POLICY

As required by the USGA for its Handicap System, the Board shall maintain a Handicap Committee. This committee shall be a subcommittee of the Operations Committee or any committee designated to oversee tournaments. The committee shall be made up of at least 3 club members, shall include members of the golf staff, and shall elect a chairperson, who may not be a member of the golf staff. The committee's responsibilities shall include all responsibilities set forth by the USGA in the USGA Handicap Manual.

The CCL Handicap Committee has the responsibility of ensuring that the members comply with the requirements of the USGA Handicap System. The following policy has been set by the Handicap Committee for handicaps at CCL:

- 1) Members are responsible to post all scores. If 13 or more holes are played, an eighteen (18) hole score should be posted. Members are also responsible for learning what scores to post for a conceded hole, a hole not finished, or a hole not played.
- 2) Members are also required to adjust their scores according to Equitable Stroke Control as set forth by the USGA. It is up to the member to know what score they can take on any given hole.
- 3) Scorecards should be completed with first and last names. All cards should be dated and marked to designate which tees were played. Upon completion, cards should be signed and attested and turned in to the pro shop or a designated scorecard drop box.
- 4) For away scores, a signed, attested, and dated scorecard must be turned into the pro shop. Tees played should also be noted on the card.
- 5) The Handicap Committee will perform regular reviews of the scores posted as compared to rounds played. Those found to have more rounds played than rounds posted may receive a penalty score of 72 for each round not posted. Random checks of the scorecards will also be performed to make sure the scores posted are correct.
- 6) The Handicap Committee will review all handicaps of participants in handicapped club tournaments. All members and guests who participate in club sponsored tournaments must have an established handicap. The Handicap Committee may make exceptions for new CCL members with at least five (5) posted scores on a case by case basis. The Handicap Committee may lower or raise the index of any participant not complying with the posting requirements. They may also disqualify any member or guest from participation for continued abuses.
- 7) Any tournament where prizes and/or trophies are awarded and a player plays his own ball shall be designated as a tournament round. This includes individual stroke play tournaments as well as match play or team competitions where each player plays his own ball.
- 8) The Handicap Committee may take punitive action against those members who continue the abuse the system, including but not limited to removing the member from the handicap system.
- 9) The Handicap Committee shall maintain a "Truth Book", where all tournament scores of members and guests are recorded for future reference.
